</table>

1. At a blank document, create the text and table shown in Figure 13.10 with the following specifications:
   a. Use the Insert Table dialog box to create a table with three columns and five rows and choose the Autofit to contents option at the dialog box.
   b. Type the text in the cells as shown in Figure 13.10.
   c. Apply the Grid Table 4 - Accent 1 table style (second column, fourth row in the Grid Tables section).
   d. Remove the check mark from the First Column check box.
